HEALTHCARE

ACTIVITY DIRECTOR Designed to provide basic training to become an activity director in a healthcare related setting, such as long-term care, assisted living facilities or adult care homes. Course follows the state approved outline. Persons completing the entire 60 hours of training become qualified to work as an activity director in a nursing home or assisted living facility. **Prerequisite:** High school diploma or GED. **Fees:** \$185 + books and supplies. **Duration:** 11 weeks.

CERTIFIED NURSING ASSISTANT I This course teaches basic nursing skills required to provide personal care for patients, residents, the elderly or others requiring medical assistance in a healthcare setting. Emphasis is placed on the aging process, communications, patient safety, patient's rights, personal care, vital signs, elimination, nutrition, emergencies, rehabilitation and mental health. CPR certification is included in the class. Through classroom instruction, laboratory work and clinical rotations, you are prepared to take the NC Nurse Aide I Competency Evaluation. Passing this evaluation leads to being listed on the NC Nurse Aide I Registry.

Prerequisites: Successful completion of Math and Reading placement tests (or equivalent approved by Health Education Department), a picture ID, Social Security Card, a High School Diploma/GED/transcript or College Diploma/transcript are required. You must also attend an orientation session and present receipts from the criminal background check and drug screening before you will be allowed to register for class. **Fees:** \$203 + cost of books and supplies. **Duration:** 12 weeks to 18 weeks depending on day or evening classes.

CERTIFIED NURSING ASSISTANT II Must provide documentation of current Nurse Aide I listing in the state registry of NC, Anatomy and Physiology. Classroom, lab and clinical learning experiences that prepare graduates to perform more complex skills for patients or residents regardless of their setting. **Entrance Criteria:** Minimum of 10th grade reading level, demonstration of appropriate work behaviors, high school diploma/GED, and a letter of recommendation from an RN who has acted as a supervisor. **Fees:** \$180 + books and supplies. **Duration:** 12 weeks.

MEDICAL OFFICE I: INTRODUCTION TO TERMINOLOGY AND CODING This course prepares students for an entry-level job in a doctor's office or clinic, but does not prepare students to be a professional coder. In the first half of the course, students receive an introduction to medical terminology. In the second half of the course, students receive an introduction in how to convert medical procedure or disease into a number code for insurance billing. **Fees:** \$185 + cost of books. **Duration:** 12 weeks.

PHARMACY ASSISTANT This course introduces students to the work of entry-level employees in a retail pharmacy. You will learn drug regulation and control, pharmaceutical terminology, medications and their uses and applied math. Use this course to start your path to becoming a Certified Pharmacy Technician. **Prerequisite:** High School Diploma or GED. **Fees:** \$130 + cost of book. **Duration:** 8 weeks

CPR TRAINING The American Heart Association Healthcare Provider CPR course is designed for people that are going to work or already work in the healthcare industry. While it is required for all healthcare professionals, it is also an appropriate course for anyone with an interest in CPR. The course covers CPR, Foreign Body Airway Obstruction (Choking), use of Automated External Defibrillators (AEDs) and Rescue Breathing. All topics are covered for rescuing adults, children and infants. The course is taught in a relaxed environment in which the instructor briefly lectures, talks students through hands-on practice sessions and then gives scenarios to test practical skills for each subject. **Fees:** \$45; **Duration:** 1 day.

SERVICE INDUSTRY

CULINARY ARTS CERTIFICATION Provides instruction and certification in ServSafe sanitation, basic culinary skills, knife skills, kitchen safety, mass food production and "cook chill" technology. Hands-on training experience, a 1-week internship, and job placement assistance are included in this curriculum. Entrance Criteria: Minimum of 6th grade reading level and 5th grade math level on TABE test. **Fees:** \$385. **Duration:** 12 weeks.

HOUSEKEEPING/FLOOR TECH Provides classroom and work experience training in the areas of safety and OSHA regulations, measurements and chemicals, and specialization in the areas of hospitality housekeeping, food service sanitation, commercial and industrial housekeeping. Training consists of 20% classroom instruction and 80% hands-on experience utilizing different pads, equipment/strategies for floor and carpet care. **Entrance Criteria:** Ability to lift/move a minimum of 20 pounds, demonstration of appropriate work behaviors. **Fees:** \$80. **Duration:** 2 weeks, 2 days.

OFFICE TECHNOLOGY
