

**GOODWILL INDUSTRIES OF NORTHWEST NORTH CAROLINA, INC. MONEY PURCHASE PLAN  
SUMMARY PLAN DESCRIPTION**

**GOODWILL INDUSTRIES OF NORTHWEST NORTH CAROLINA, INC.  
MONEY PURCHASE PLAN**

**SUMMARY PLAN DESCRIPTION  
MATERIAL MODIFICATIONS**

**I  
INTRODUCTION**

This is a Summary of Material Modifications regarding the Goodwill Industries of Northwest North Carolina, Inc. Money Purchase Plan (“the Plan”). This is merely a summary of the most important changes to the Plan and information contained in the Summary Plan Description (“SPD”) previously provided to you. It supplements and amends that SPD so you should retain a copy of this document with your copy of the SPD. If you have any questions, contact the Administrator. If there is any discrepancy between the terms of the Plan, as modified, and this Summary of Material Modifications, the provisions of the Plan will control.

**II  
SUMMARY OF CHANGES**

**Military Service.** If you are a veteran and are reemployed under the Uniformed Services Employment and Reemployment Rights Act of 1994, your qualified military service may be considered service with the Employer. There may also be benefits for employees who die or become disabled while on active duty. Employees who receive wage continuation payments while in the military may benefit from law changes effective in 2009. If you think you may be affected by these rules, ask the Plan Administrator for further details.

**Modification of Eligible Employee Provisions** Effective December 1, 2009, we have amended the Plan to exclude N.C. Department of Transportation Custodial Employees from eligibility to participate in the Plan. Prior to December 1, 2009, this group was not excluded from eligibility to participate in the plan.

**Modification of Employer Contribution Provisions** Effective January 1, 2011, employer contributions will be allocated to your plan in two steps. First, if you meet the allocation conditions, the Employer will make a contribution equal to 10% of your compensation. Second, if you meet the allocation conditions, the employer will allocate an amount equal to 5.7% of the amount your compensation exceeds the “taxable wage base”. For 2011, the taxable wage base is \$106,800. The taxable wage base is subject to change each year.

**GOODWILL INDUSTRIES OF NORTHWEST NORTH CAROLINA, INC. MONEY PURCHASE PLAN**

**SUMMARY PLAN DESCRIPTION**

**INTRODUCTION TO YOUR PLAN**

**What kind of Plan is this?**

The Goodwill Industries of Northwest North Carolina, Inc. Money Purchase Plan ("the Plan") has been adopted to provide you with additional income for retirement. This Plan is a type of qualified retirement plan commonly referred to as a money purchase Plan. Generally you are not taxed on the amounts we contribute to the Plan on your behalf until you withdraw these amounts from the Plan.

**What information does this Summary provide?**

This Summary Plan Description ("SPD") contains information regarding when you may become eligible to participate in the Plan, your Plan benefits, your distribution options, and many other features of the Plan. You should take the time to read this SPD to get a better understanding of your rights and obligations under the Plan.

In this SPD, the Employer has addressed the most common questions you may have regarding the Plan. If this SPD does not answer all of your questions, please contact the Administrator or other plan representative. The Administrator is responsible for responding to questions and making determinations related to the administration, interpretation, and application of the Plan. The name of the Plan Administrator can be found at the end of this SPD in the Article entitled "General Information about the Plan."

This SPD describes the Plan's benefits and obligations as contained in the legal Plan document, which governs the operation of the Plan. The Plan document is written in much more technical and precise language and is designed to comply with applicable legal requirements. If the non-technical language in this SPD and the technical, legal language of the Plan document conflict, the Plan document always governs. If you wish to receive a copy of the legal Plan document, please contact the Plan Administrator.

The Plan and your rights under the Plan are subject to federal laws, such as the Employee Retirement Income Security Act (ERISA) and the Internal Revenue Code, as well as some state laws. The provisions of the Plan are subject to revision due to a change in laws or due to pronouncements by the Internal Revenue Service (IRS) or Department of Labor (DOL). The Employer may also amend or terminate this Plan. If the provisions of the Plan that are described in this SPD change, the Employer will notify you.

**ARTICLE I  
PARTICIPATION IN THE PLAN**

**How do I participate in the Plan?**

If you are a leased employee, you are not entitled to participate in the Plan.

If you are a reclassified employee (an employee who was previously not treated as an employee of the Employer but you are reclassified as being an employee), you are not entitled to participate in the Plan.

Provided you are not an Excluded Employee, you may begin participating under the Plan once you have satisfied the eligibility requirements and reached your Entry Date, except as indicated above for leased and reclassified employees. The following describes Excluded Employees, if any, the eligibility requirements and Entry Dates that apply. You should contact the Plan Administrator if you have questions about the timing of your Plan participation.

**Money Purchase Contributions**

**Excluded Employees.** If you are a member of a class of employees identified below, you are an Excluded Employee and you are not entitled to participate in the Plan for purposes of money purchase contributions. The Excluded Employees are:

- union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining
- certain nonresident aliens who have no earned income from sources within the United States
- Employees who are classified on the books and records of the Employer as Community Access Employees. A Community Access Employee who became a participant in the Plan on or prior to January 1, 2003, is not eligible to participate in the plan after such date. See the Plan Administrator for additional information if you are not sure if this affects you.

**Eligibility Conditions.** You will be eligible to participate for purposes of money purchase contributions when you have completed one (1) Year of Service and have attained age 21. However, you will actually participate for purposes of money purchase contributions once you reach the Entry Date as described below.

**Goodwill Industries of Northwest North Carolina Money Purchase Pension Plan**

**Entry Date.** Your Entry Date will be the first day of the Plan Year coinciding with or immediately preceding the date on which you satisfy the eligibility requirements.

**Prevailing Wage Contribution**

If you are working under a prevailing wage contract, then for purposes of receiving any prevailing wage contribution made to the Plan, you are eligible to participate on the date your employment is covered under the contract and will enter the Plan on that date, unless the prevailing wage contract provides otherwise.

**How is my service determined for purposes of Plan eligibility?**

**Year of Service.** You will have completed a Year of Service if, at the end of your first twelve months of employment with the Employer, you have been credited with at least 1,000 Hours of Service. If you have not been credited with 1,000 Hours of Service by the end of your first twelve months of employment, you will have completed a Year of Service at the end of any following Plan Year during which you were credited with 1,000 Hours of Service.

**Hour of Service.** You will be credited with your actual Hours of Service for:

- (a) each hour for which you are directly or indirectly compensated by the Employer for the performance of duties during the Plan Year;
- (b) each hour for which you are directly or indirectly compensated by the Employer for reasons other than the performance of duties (such as vacation, holidays, sickness, disability, lay-off, military duty, jury duty or leave of absence during the Plan Year) but credit will not exceed 501 hours of service for any single continuous period during which you perform no duties; and
- (c) each hour for back pay awarded or agreed to by the Employer.

You will not be credited for the same Hours of Service both under (a) or (b), as the case may be, and under (c).

**What service is counted for purposes of Plan eligibility?**

**Service with the Employer.** In determining whether you satisfy the minimum service requirements to participate under the Plan, all service you perform for the Employer will be counted.

**Service with another Employer.** For eligibility purposes, your Years of Service with Econo Force effective as of May 1, 2004 and Handi Skills effective as of December 28, 1998 may be counted. See the Plan Administrator for details if you think you may be affected by this provision.

**Military Service.** If you are a veteran and are reemployed under the Uniformed Services Employment and Reemployment Rights Act of 1994, your qualified military service may be considered service with the Employer. If you may be affected by this law, ask the Plan Administrator for further details.

**What happens if I'm a participant, terminate employment and then I'm rehired?**

If you are no longer a participant because of a termination of employment, and you are rehired, then you will be able to participate in the Plan on the date on which you are rehired if you are otherwise eligible to participate in the Plan.

**ARTICLE II  
EMPLOYEE CONTRIBUTIONS**

**What are rollover contributions?**

**Rollover contributions.** At the discretion of the Plan Administrator, if you are an eligible employee, you may be permitted to deposit into the Plan distributions you have received from other plans and certain IRAs. Such a deposit is called a "rollover" and may result in tax savings to you. You may ask the administrator or trustee of the other plan or IRA to directly transfer (a "direct rollover") to this Plan all or a portion of any amount that you are entitled to receive as a distribution from such plan. Alternatively, if you received a distribution from a prior plan, you may elect to deposit any amount eligible to be rolled over within 60 days of your receipt of the distribution. You should consult qualified counsel to determine if a rollover is permitted and in your best interest.

**Rollover account.** Your rollover will be accounted for in a "rollover account." You will always be 100% vested in your "rollover account" (see the Article in this SPD entitled "Vesting"). This means that you will always be entitled to all amounts in your rollover account. Rollover contributions will be affected by any investment gains or losses.

**ARTICLE III  
EMPLOYER CONTRIBUTIONS**

This Article describes Employer contributions that will be made to the Plan and how your share of the contributions is determined.

**What is the Employer money purchase contribution and how is it allocated?**

Each year, the Employer will make a contribution equal to 8% of your compensation.

**Allocation conditions.** In order to share in the money purchase contribution you must satisfy the following conditions:

- If you are employed on the last day of the Plan Year, you will share if you completed at least 1,000 Hours of Service during the Plan Year.

**Waiver of allocation conditions**

You will share in the money purchase contribution for the year you terminate employment regardless of the amount of service you complete during the Plan Year if you terminate on or following your death, disability or attainment of Normal Retirement Age.

**Your share of the contribution.** The money purchase contribution will be "allocated" or divided among participants eligible to share in the contribution for the Plan Year.

Your share of the money purchase contribution will be determined by the formula for making that contribution.

**What is the prevailing wage contribution?**

**Prevailing wage contribution.** If the work you perform for the Employer is subject to prevailing wage laws, then the Employer will make contributions to this Plan to help satisfy the fringe benefit requirements of the law. You will receive this contribution based on the work you perform during a Plan Year that is subject to the law. This contribution is 100% vested (see the Article in this SPD entitled "Vesting").

The contribution the Employer makes according to prevailing wage laws will be allocated to you each Plan Year and will be in addition to any other contribution the Employer makes for you for the Plan Year.

**How is my service determined for allocation purposes?**

**Hour of Service.** You will be credited with your actual Hours of Service for:

- (a) each hour for which you are directly or indirectly compensated by the Employer for the performance of duties during the Plan Year;
- (b) each hour for which you are directly or indirectly compensated by the Employer for reasons other than the performance of duties (such as vacation, holidays, sickness, disability, lay-off, military duty, jury duty or leave of absence during the Plan Year) but credit will not exceed 501 hours of service for any single continuous period during which you perform no duties; and
- (c) each hour for back pay awarded or agreed to by the Employer.

You will not be credited for the same Hours of Service both under (a) or (b), as the case may be, and under (c).

**Service with another Employer.** For allocation purposes, your service with Econo Force effective as of May 1, 2004 and Handi Skills effective as of December 28, 1998 may be counted. See the Plan Administrator for details if you think you may be affected by this provision.

**What are forfeitures and how are they allocated?**

**Definition of forfeitures.** In order to reward employees who remain employed with the Employer for a long period of time, the law permits a "vesting schedule" to be applied to certain contributions that the Employer makes to the Plan. This means that you will not be entitled to ("vested" in) all of the contributions until you have been employed with the Employer for a specified period of time (see the Article in this SPD entitled "Vesting"). If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan and is called a forfeiture. Forfeitures may be used by the Plan for several purposes.

**Allocation of forfeitures.** Forfeitures will be allocated as follows:

- Forfeitures will be used to reduce any money purchase contribution.

**ARTICLE IV  
COMPENSATION AND ACCOUNT BALANCE**

**What compensation is used to determine my Plan benefits?**

**Definition of compensation.** Compensation is defined as your total compensation that is subject to income tax and paid to you by the Employer. Amounts paid to you after you terminate employment may or may not be included as compensation for plan allocations as described below. If you are a self-employed individual, your compensation will be equal to your earned income. The following describes the adjustments to compensation that may apply for the contribution(s) noted above.

**Adjustments to compensation.** The following adjustments to compensation will be made for purposes of the Plan:

- elective deferrals to any other plan or arrangement (such as a cafeteria plan) will be included.
- compensation paid for unused accrued bona fide sick, vacation or other leave, if such amounts would have been included in compensation if paid prior to your termination of employment and you would have been able to use the leave if employment had continued will be included. In addition, compensation will also include nonqualified unfunded deferred compensation if the payment is includible in gross income and would have been paid to you had you continued employment.
- compensation paid after you terminate employment by reason of qualified military service, provided the payments do not exceed the amounts you would have received had you remained employed, will be excluded.

**Is there a limit on the amount of compensation which can be considered?**

The Plan, by law, cannot recognize annual compensation in excess of a certain dollar limit. The limit for the Plan Year beginning in 2009 is \$245,000. After 2009, the dollar limit may increase for cost-of-living adjustments.

**Is there a limit on how much can be contributed to my account each year?**

Generally, the law imposes a maximum limit on the amount of contributions that may be made to your account and any other amounts allocated to any of your accounts during the Plan Year, excluding earnings. Beginning in 2009, this total cannot exceed the lesser of \$49,000 or 100% of your annual compensation (as limited under the previous question). After 2009, the dollar limit may increase for cost-of-living adjustments.

**How is the money in the Plan invested?**

The Trustee of the Plan has been designated to hold the assets of the Plan for the benefit of Plan participants and their beneficiaries in accordance with the terms of this Plan. The trust fund established by the Plan's Trustee will be the funding medium used for the accumulation of assets from which Plan benefits will be distributed.

The Trustee or another designated person or entity is responsible for the investment of all assets held by the Plan. Investment decisions are made in the best interests of you and other Plan participants. Periodically, you will receive a benefit statement that provides information on your account balance and your investment returns. If you have any questions, contact the Plan Administrator (or other Plan representative). The name of the Trustee can be found in the Article in this SPD entitled "General Information about This Plan."

**Will Plan expenses be deducted from my account balance?**

The Employer has elected to pay all plan related expenses except for certain expenses which are intrinsic to the value of the Trust assets such as brokerage commissions.

**ARTICLE V  
VESTING**

**What is my vested interest in my account?**

In order to reward employees who remain employed with the Employer for a long period of time, the law permits a "vesting schedule" to be applied to certain contributions that the Employer makes to the Plan. This means that you will not be entitled ("vested") in all of the contributions until you have been employed with the Employer for a specified period of time.

**100% vested contributions.** You are always 100% vested (which means that you are entitled to all of the amounts) in your accounts attributable to the following contributions:

- rollover contributions
- prevailing wage contributions

**Goodwill Industries of Northwest North Carolina Money Purchase Pension Plan**

**Vesting schedules.** Your "vested percentage" for certain Employer contributions is based on vesting Years of Service. This means at the time you stop working, your account balance attributable to contributions subject to a vesting schedule is multiplied by your vested percentage. The result, when added to the amounts that are always 100% vested as shown above, is your vested interest in the Plan, which is what you will actually receive from the Plan. You will always, however, be 100% vested if you are employed on or after your Early or Normal Retirement Age or if you terminate employment on account of your death, or if you terminate employment as a result of becoming disabled.

Your "vested percentage" in your account attributable to money purchase contributions is determined under the following schedule.

Years of Service	Vesting Schedule	Percentage
Less than 2		0%
2		20%
3		40%
4		60%
5		80%
6		100%

**How is my service determined for vesting purposes?**

**Year of Service.** To earn a Year of Service, you must be credited with at least 1,000 Hours of Service during a Plan Year. The Plan contains specific rules for crediting Hours of Service for vesting purposes. The Plan Administrator will track your service and will credit you with a Year of Service for each Plan Year in which you are credited with the required Hours of Service, in accordance with the terms of the Plan. If you have any questions regarding your vesting service, you should contact the Plan Administrator.

**Hour of Service.** You will be credited with your actual Hours of Service for:

- (a) each hour for which you are directly or indirectly compensated by the Employer for the performance of duties during the Plan Year;
- (b) each hour for which you are directly or indirectly compensated by the Employer for reasons other than the performance of duties (such as vacation, holidays, sickness, disability, lay-off, military duty, jury duty or leave of absence during the Plan Year) but credit will not exceed 501 hours of service for any single continuous period during which you perform no duties; and
- (c) each hour for back pay awarded or agreed to by the Employer.

You will not be credited for the same Hours of Service both under (a) or (b), as the case may be, and under (c).

**What service is counted for vesting purposes?**

**Service with the Employer.** In calculating your vested percentage, all service you perform for the Employer will generally be counted.

**Service with another Employer.** For vesting purposes, your Years of Service with Econo Force effective as of May 1, 2004 and Handi Skills effective as of December 28, 1998 may be counted. See your Plan Administrator for details if you think you may be affected by this provision.

**Military Service.** If you are a veteran and are reemployed under the Uniformed Services Employment and Reemployment Rights Act of 1994, your qualified military service may be considered service with the Employer. If you may be affected by this law, ask the Plan Administrator for further details.

**What happens to my non-vested account balance if I'm rehired?**

If you have no vested interest in the Plan when you leave, your account balance will be forfeited. However, if you are rehired before incurring five consecutive Breaks in Service, your account balance as of the date of your termination of employment will be restored, unadjusted for any gains or losses.

If you are partially vested in your account balance when you leave, the non-vested portion of your account balance will be forfeited on the earlier of the date:

- (a) of the distribution of your vested account balance, or
- (b) when you incur five consecutive Breaks in Service.

If you received a distribution of your vested account balance and are rehired, you may have the right to repay this distribution. If you repay the entire amount of the distribution, the Employer will restore your account balance with your forfeited amount. You must repay this distribution within five years from your date of rehire, or, if earlier, before you incur five consecutive Breaks in Service. If you were 100% vested when you left, you do not have the opportunity to repay your distribution.

**What happens if the Plan becomes a "top-heavy plan"?**

**Top-heavy plan.** A retirement plan that primarily benefits "key employees" is called a "top-heavy plan." Key employees are certain owners or officers of the Employer. A plan is generally a "top-heavy plan" when more than 60% of the plan assets are attributable to key employees. Each year, the Plan Administrator is responsible for determining whether the Plan is a "top-heavy plan."

**Top-heavy rules.** If the Plan becomes top-heavy in any Plan Year, then non-key employees may be entitled to certain "top-heavy minimum benefits," and other special rules will apply. These top-heavy rules include the following:

- The Employer may be required to make a contribution on your behalf in order to provide you with at least "top-heavy minimum benefits."
- If you are a participant in more than one Plan, you may not be entitled to "top-heavy minimum benefits" under both Plans.

**ARTICLE VI  
DISTRIBUTIONS PRIOR TO TERMINATION OF EMPLOYMENT**

**Can I withdraw money from my account while working?**

You are not entitled to any distribution from the Plan while you are still working for the Employer, other than distributions from accounts for rollover contributions.

**ARTICLE VII  
DISTRIBUTIONS UPON TERMINATION OF EMPLOYMENT**

**When can I get money out of the Plan?**

You may receive a distribution of the vested portion of some or all of your accounts in the Plan when you terminate employment with the Employer. The rules regarding the payment of death benefits to your beneficiary are described in the Article in this SPD entitled "Distributions upon Death."

As to the possibility of receiving a distribution while you are still employed with the Employer, see the Article in this SPD entitled "Distributions Prior to Termination of Employment."

**Termination and distribution before Normal Retirement Age (or age 62 if later)**

If your vested account balance exceeds \$5,000, your consent is required to distribute your account before you reach Normal Retirement Age (or age 62 if later). You may elect to have your vested account balance distributed to you as soon as administratively feasible following your termination of employment. (See the question entitled "In what method and form will my benefits be paid to me?" below for an explanation of the method of payment.)

If you terminate employment with a vested account balance exceeding \$5,000, you may elect to postpone your distribution until your "required beginning date" described below.

If your vested account balance does not exceed \$5,000, a distribution of your vested account balance will be made to you, regardless of whether you consent to receive it, as soon as administratively feasible following your termination of employment. (See the question entitled "In what method and form will my benefits be paid to me?" below for an explanation of the method of payment.)

Amounts in your rollover account will not be considered as part of your benefit in determining whether the \$5,000 threshold for timing of payments described above has been exceeded as well as for determining if the value of your vested account balance exceeds the \$5,000 threshold used to determine whether you must consent to a distribution.

**Automatic Rollover of Certain Account Balances.** If your vested account balance does not exceed \$5,000, the Plan will distribute your account without your consent. If the amount of the distribution exceeds \$1,000 and you do not elect to either receive or roll over the distribution, the law requires that your distribution be directly rolled over to an IRA. See the Article in this SPD entitled "Automatic Rollover of Certain Account Balances."

**Distribution on or after Normal Retirement Age (or age 62 if later)**

If you terminate employment with the Employer and will receive distribution on or after the later of age 62 or Normal Retirement Age, the Plan will distribute your account without your consent. The distribution will occur as soon as administratively feasible at the same time described above for other pre-62/Normal Retirement Age distributions not requiring your consent, but in any event distribution will be made no later than 60 days after the end of the Plan Year in which you terminate employment. Notwithstanding the foregoing, if your vested account balance exceeds \$5,000 (including rollover contributions), you may elect to postpone your distribution until your "required beginning date" described below.

**What is Normal Retirement Age and what is the significance of reaching Normal Retirement Age?**

You will attain your Normal Retirement Age when you reach age 65.

You will become 100% vested in all of your accounts under the Plan (assuming you are not already fully vested) if you terminate employment on or after your Normal Retirement Age.

**What is Early Retirement Age and what is the significance of reaching Early Retirement Age?**

**Early Retirement Age.** Your Early Retirement Age is the later of the date you have attained age 55 or the 7th anniversary of the first day of the Plan Year in which you commenced participation in the Plan.

You will become 100% vested (assuming you are not already fully vested) if you terminate employment on or after your Early Retirement Age.

**What happens if I terminate employment due to disability?**

**Definition of disability.** Under the Plan, disability is defined as the inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months. The permanence and degree of such impairment must be supported by medical evidence. The Plan Administrator may require that your disability be determined by a licensed physician.

**Payment of benefits.** If you terminate employment because you become disabled, the Plan will distribute your account balance in the same manner as for any other non-death related termination.

**In what method and form will my benefits be paid to me?**

**Termination and distribution before Normal Retirement Age (or age 62 if later)**

If you terminate employment and will receive a distribution before the later of age 62 or Normal Retirement Age and your vested account balance does not exceed \$5,000, then your vested account balance may only be distributed to you in a single lump-sum payment in cash.

If you terminate employment and will receive a distribution before the later of age 62 and Normal Retirement Age and your vested account balance exceeds \$5,000, you may elect to receive a distribution of your vested account balance in:

- a single lump-sum payment in cash
- installments over a period of not more than your assumed life expectancy (or the assumed life expectancies of you and your beneficiary)
- an alternative annuity - This is an annuity contract issued by an insurance company and purchased with your account balance. An alternative annuity is not the same as a qualified annuity described below. Under an annuity contract, you will receive periodic payments over your life or the life of you and your spouse or beneficiary.

In determining whether your vested account balance exceeds the \$5,000 dollar threshold, "rollovers" (and any earnings allocable to "rollover" contributions) will not be taken into account.

**Distribution on/after Normal Retirement Age (or age 62 if later)**

If you terminate employment and will receive distribution on or following the attainment of the later of age 62 or Normal Retirement Age, and your vested account balance, (including rollovers) does not exceed \$5,000, you will receive distribution in the form of a single lump-sum payment in cash. If your balance exceeds \$5,000, you may elect to receive distribution as described above relating to termination before the later of age 62 and Normal Retirement Age. In determining whether your vested account balance exceeds the \$5,000 dollar threshold, "rollovers" (and any earnings allocable to "rollover" contributions) will be taken into account.

**Delaying distributions/required beginning date.** If described above, you may delay the distribution of your vested account balance. However, if you elect to delay the distribution of your vested account balance, there are rules that require that certain minimum distributions be made from the Plan. If you are a 5% owner, distributions are required to begin not later than the April 1st following the end of the year in which you reach age 70 1/2. If you are not a 5% owner, distributions are required to begin not later than the April 1st following the later of the end of the year in which you reach age 70 1/2 or terminate employment. You should see the Plan Administrator if you think you may be affected by these rules.

**Mandatory annuity distribution (subject to waiver).** This plan provides that the mandatory form of benefit under the plan is an annuity ("qualified annuity") unless you elect to waive the qualified annuity. This section describes the qualified annuity payable during your lifetime and to your surviving spouse if any. See "Mandatory annuity benefit/subject to waiver" under "Distributions Upon Death" below for a description of the qualified annuity benefit which applies (unless waived) if you are married and die before you start to receive your lifetime qualified annuity payments. If the qualified annuity applies, the Plan Administrator will use your account balance to purchase the qualified annuity from an insurance company. Then the Plan will distribute the qualified annuity contract to you and

## Goodwill Industries of Northwest North Carolina Money Purchase Pension Plan

you will receive payments in accordance with the contract. When you are entitled to receive a distribution from the Plan, the Plan Administrator will provide you with a detailed explanation of the special rules that apply to the lifetime qualified annuity and regarding the waiver of the annuity. See "May I elect another distribution method?" below as to waiver of the qualified annuity and election of an alternative distribution method.

If you are married on the date your benefits are to begin, you will automatically receive a joint and 50% survivor annuity, unless you and your spouse waive the annuity and elect an alternative form of payment. This means that you will receive payments for your life, and after your death, your surviving spouse will receive a monthly benefit for the remainder of his or her life equal to 50% of the benefit you were receiving at the time of your death. You may elect a joint and 75% survivor annuity instead of the standard joint and 50% survivor annuity. You should consult an advisor before making such election.

If you are not married on the date your benefits are to begin, you will automatically receive a life annuity, unless you waive the qualified annuity and elect an alternative form of payment. This means you will receive payments for as long as you live.

However, regardless of your marital status, if your vested account balance does not exceed \$5,000, then your vested account balance will be distributed to you in a single lump-sum payment in cash and you will not receive the qualified annuity. In determining whether your vested account balance exceeds the \$5,000 dollar threshold, "rollovers" (and any earnings allocable to "rollover" contributions) will not be taken into account.

### May I elect another distribution method?

**Waiver of annuity.** If your vested benefit in the Plan exceeds \$5,000, then when you are about to receive any distribution, the Plan Administrator will explain the joint and survivor annuity or the life annuity to you in greater detail. You will be given the option of waiving the joint and survivor annuity or the life annuity form of payment during the 180-day period before the annuity is to begin. **IF YOU ARE MARRIED YOUR SPOUSE MUST IRREVOCABLY CONSENT IN WRITING TO THE WAIVER IN THE PRESENCE OF A NOTARY OR A PLAN REPRESENTATIVE.** You may revoke any waiver. The Plan Administrator will provide you with forms to make these elections. Since your spouse participates in these elections, you must immediately inform the Plan Administrator of any change in your marital status.

**Other distribution method.** If your vested account balance exceeds \$5,000 and if you and your spouse elect not to take a joint and survivor annuity, or if you are not married when your benefits are scheduled to begin and have elected not to take a life annuity, you may elect to receive distribution of your account balance under any alternative method the Plan provides as described above.

## ARTICLE VIII DISTRIBUTIONS UPON DEATH

### What happens if I die while working for the Employer?

If you die while still employed by the Employer, then 100% of your account balance will be used to provide your beneficiary with a death benefit. The death benefit may consist at least in part of distribution of a life annuity to your surviving spouse if you are married and your spouse survives your death. Any remaining vested amount in your account will be distributed to your beneficiary.

### Who is the beneficiary of my death benefit?

You may designate a beneficiary of your Plan account on a form provided to you for this purpose by the Plan Administrator. If you do not designate a beneficiary, your account will be distributed as described below under "No beneficiary designation." If you are married, your spouse has certain rights to the death benefit. You should immediately report any change in your marital status to the Plan Administrator.

**Married Participant.** If you are married at the time of your death, your spouse will be the beneficiary and receive a qualified annuity consisting of 50% of the death benefit. Any remaining amount of your death benefit which is not payable to your spouse as a qualified annuity will be paid to your beneficiary (which may be your spouse). You may designate a non-spouse beneficiary as to the portion of your account not payable as a qualified annuity without your spouse's consent. **IF YOU WISH TO WAIVE THE QUALIFIED ANNUITY BENEFIT YOUR SPOUSE MUST IRREVOCABLY CONSENT TO WAIVE THE ANNUITY AND TO YOUR DESIGNATION OF ANY NON-SPOUSE BENEFICIARY. YOUR SPOUSE'S CONSENT MUST BE IN WRITING, BE WITNESSED BY A NOTARY OR A PLAN REPRESENTATIVE AND ACKNOWLEDGE THE SPECIFIC NON-SPOUSE BENEFICIARY.**

### Changes to designation.

If, with spousal consent as required, you have designated someone other than your spouse as beneficiary and now wish to change your designation, see the Plan Administrator for details. In addition, you may elect a beneficiary other than your spouse without your spouse's consent if your spouse cannot be located. A divorce decree or decree of legal separation automatically revokes your designation of your spouse or former spouse as your beneficiary under the Plan unless a Qualified Domestic Relations Order provides otherwise. You should complete a form to make a new beneficiary designation if a divorce decree or decree of legal separation is issued. See the Plan Administrator for details if you think you may be affected by this provision.

**Unmarried Participant.** If you are not married, you may designate a beneficiary of your choosing.

**No beneficiary designation.** At the time of your death, if you have not designated a beneficiary or your beneficiary is not alive, the death benefit will be paid in the following order of priority to:

- (a) your surviving spouse
- (b) your children, including adopted children in equal shares (and if a child is not living, that child's share will be distributed to that child's living descendants)
- (c) your surviving parents, in equal shares
- (d) your estate

**How will the death benefit be paid to my beneficiary?**

**Method/form of distribution.** The form of payment of the death benefit will be in cash. If the death benefit payable to a beneficiary does not exceed \$5,000, then the benefit may only be paid as a lump-sum. If the death benefit exceeds \$5,000, your beneficiary may elect to have the death benefit paid in:

- a single lump-sum payment in cash
- annual installments at least equal to the required minimum distribution amount
- Ad-Hoc distributions. Your spouse may request a distribution of some or all of the death benefit, at any time following your death, subject to any reasonable limits the Plan Administrator may impose. Each such distribution must be at least equal to the required minimum distribution amount.

**Mandatory annuity distribution/subject to waiver.** If you are married at the time of your death, the Plan will provide a qualified annuity benefit to your spouse if he/she survives your death, except as otherwise described below. If the death benefit payable to your spouse does not exceed \$5,000, then the benefit may only be paid as a lump-sum. If the death benefit exceeds \$5,000, the death benefit will be paid in the form of a qualified annuity, unless you and your spouse waive the qualified annuity. If the qualified annuity applies, the Plan will purchase, using 50% of your account, an annuity contract providing for payments over the life of your spouse. The size of the monthly payments will depend on the value of your vested account at the time of your death.

**Waiver of annuity.** You and your spouse may waive the qualified annuity form of distribution. Generally, the period during which you and your spouse may waive the annuity begins as of the first day of the Plan Year in which you reach age 35 and ends when you die. The Plan Administrator must provide you with a detailed explanation of the annuity. This explanation must generally be given to you during the period of time beginning on the first day of the Plan Year in which you will reach age 32 and ending on the first day of the Plan Year in which you reach age 35. It is important that you inform the Administrator when you reach age 32 so that you may receive this information.

Under a special rule, you and your spouse may waive the survivor annuity form of payment any time before you turn age 35. However, any waiver will become invalid at the beginning of the Plan Year in which you turn age 35, and you and your spouse will be required to make another waiver.

As to all or any portion of your account to which the qualified annuity does not apply (including because you are not married, you elect to waive the qualified annuity or the annuity does not apply to all of your account) your beneficiary may elect an alternative method of payment as described above under "Method/form of distribution."

**When must the last payment be made to my beneficiary (required minimum distributions)?**

The law generally restricts the ability of a retirement plan to be used as a method of deferring taxation for an unlimited period beyond the participant's life. Thus, there are rules that are designed to ensure that death benefits are distributable to beneficiaries within certain time periods. The application of these rules depends upon whether you die before or after your "required beginning date" as described above under "Delaying distributions/required beginning date."

**Death before required beginning date.**

Regardless of the method of distribution a beneficiary might otherwise be able to elect, if your designated beneficiary is a person (other than your estate or certain trusts), then minimum distributions of your death benefit must begin by the end of the calendar year which follows the year of your death and must be paid over a period not extending beyond your beneficiary's life expectancy. If your spouse is the sole beneficiary, your spouse may delay the start of payments until the year in which you would have attained age 70 1/2. However, instead of a life expectancy based distribution, your designated beneficiary may elect to have the entire death benefit paid by the end of the fifth year following the year of your death. Generally, if your beneficiary is not a person, then your entire death benefit must be paid within five years after your death.

**Death after required beginning date.**

If you die on or after your required beginning date, regardless of the method of distribution a beneficiary might otherwise be able to elect, payment must be made over a period which does not exceed the greater of the beneficiary's life expectancy or your remaining

**Goodwill Industries of Northwest North Carolina Money Purchase Pension Plan**

life expectancy (determined in accordance with applicable life expectancy tables and without regard to your actual death). If your beneficiary is not a person, your entire death benefit must be paid over a period not exceeding your remaining life expectancy (determined in accordance with applicable life expectancy tables and without regard to your actual death).

**What happens if I terminate employment, commence payments and then die before receiving all of my benefits?**

If you are married at the time of death, the form of payment will be a life annuity to your surviving spouse as described above under "Mandatory annuity distribution (subject to waiver)," unless you and your spouse had waived the qualified annuity. In the event you had waived the qualified annuity, your beneficiary will be entitled to your remaining vested interest in the Plan at the time of your death. See the Plan Administrator for more information regarding the timing and method of payments that apply to your beneficiary.

**ARTICLE IX  
TAX TREATMENT OF DISTRIBUTIONS**

**What are my tax consequences when I receive a distribution from the Plan?**

Generally, you must include any Plan distribution in your taxable income in the year in which you receive the distribution. The tax treatment may also depend on your age when you receive the distribution. Certain distributions made to you when you are under age 59 1/2 could be subject to an additional 10% tax.

**Can I elect a rollover to reduce or defer tax on my distribution?**

**Rollover.** As to most types of distributions, you may defer the tax due on your distribution by rolling the distribution over to an IRA or other plan. A hardship distribution, a required minimum distribution and certain other distribution types are not eligible for rollover. There are two types of rollovers.

**60-day rollover.** You may roll over all or a portion of the distribution to an Individual Retirement Account or Annuity (IRA) or another employer retirement plan willing to accept the rollover. This will result in no tax being due until you begin withdrawing funds from the IRA or other qualified employer plan. The rollover of the distribution, however, **MUST** be made within strict time frames (normally, within 60 days after you receive your distribution). A distribution which may be rolled over but which you do not directly roll over (see below) will be subject to mandatory federal income tax withholding at a rate of 20%. This will reduce the amount you actually receive. For this reason, if you wish to roll over all or a portion of your distribution amount, the direct rollover option described below would be the better choice.

**Direct rollover.** For most distributions, you may request that a direct rollover (sometimes referred to as a direct transfer) of all or a portion of a distribution be made to either an Individual Retirement Account or Annuity (IRA) or another employer retirement plan willing to accept the rollover. A direct rollover will result in no tax being due until you withdraw funds from the IRA or other employer plan. If you decide to directly roll over all or a portion of a distribution, you (and your spouse, if you are married) must first waive the qualified annuity.

**Automatic Rollover of Certain Account Balances**

If a mandatory distribution is being made to you before the later of age 62 or Normal Retirement Age and your vested account balance does not exceed \$5,000 (disregarding any rollover contribution), the Plan will distribute your vested portion in a single lump-sum payment in cash. However, you may elect whether to receive the distribution or to roll over the distribution to another retirement plan such as an individual retirement account ("IRA"). At the time of your termination of employment, the Plan Administrator will provide you with further information regarding your distribution rights. If the amount of the distribution is more than \$1,000 (including any rollover contribution) and you do not elect either to receive or to roll over the distribution, the Plan automatically will roll over the distribution to an IRA. The IRA provider will invest the rollover funds in a type of investment designed to preserve principal and to provide a reasonable rate of return and liquidity (e.g., an interest-bearing account, a certificate of deposit or a money market fund). The IRA provider will charge your account for any expenses associated with the establishment and maintenance of the IRA and with the IRA investments. In addition, your beneficiary designation under the Plan, if any, will not apply to the rollover IRA. The IRA's terms will control in establishing a designated beneficiary under the IRA. You may transfer the IRA funds, at any time and without cost, to any other IRA you choose. You may contact the Plan Administrator at the address and telephone number indicated in this SPD for further information regarding the Plan's automatic rollover provisions, the IRA provider and the fees and charges associated with the IRA.

**Tax Notice.** WHENEVER YOU RECEIVE A DISTRIBUTION, THE PLAN ADMINISTRATOR WILL DELIVER TO YOU A MORE DETAILED EXPLANATION OF THESE OPTIONS. HOWEVER, THE RULES WHICH DETERMINE WHETHER YOU QUALIFY FOR FAVORABLE TAX TREATMENT ARE VERY COMPLEX. YOU SHOULD CONSULT WITH QUALIFIED TAX COUNSEL BEFORE MAKING A CHOICE.

**ARTICLE X  
LOANS**

**Is it possible to borrow money from the Plan?**

No. Loans are not permitted from the Plan.

**ARTICLE XI  
PROTECTED BENEFITS AND CLAIMS PROCEDURES**

**Are my benefits protected?**

As a general rule, your interest in your account, including your "vested interest," may not be alienated. This means that your interest may not be sold, used as collateral for a loan, given away or otherwise transferred (except at death to your beneficiary). In addition, generally your creditors may not attach, garnish or otherwise interfere with your account.

**Are there any exceptions to the general rule?**

There are two exceptions to this general rule. The Plan Administrator must honor a qualified domestic relations order (QDRO). A QDRO is defined as a decree or order issued by a court that obligates you to pay child support or alimony, or otherwise allocates a portion of your assets in the Plan to your spouse, former spouse, child or other dependent. If a QDRO is received by the Plan Administrator, all or a portion of your benefits may be used to satisfy that obligation. The Plan Administrator will determine the validity of any domestic relations order received. You and your beneficiaries can obtain, without charge, a copy of the QUALIFIED DOMESTIC RELATIONS ORDER PROCEDURE from the Plan Administrator.

The second exception applies if you are involved with the Plan's operation. If you are found liable for any action that adversely affects the Plan, the Plan Administrator can offset your benefits by the amount that you are ordered or required by a court to pay the Plan. All or a portion of your benefits may be used to satisfy any such obligation to the Plan.

**Can the Employer amend the Plan?**

The Employer has the right to amend the Plan at any time. In no event, however, will any amendment authorize or permit any part of the Plan assets to be used for purposes other than the exclusive benefit of participants or their beneficiaries. Additionally, no amendment will cause any reduction in the amount credited to your account.

**What happens if the Plan is discontinued or terminated?**

Although the Employer intends to maintain the Plan indefinitely, the Employer reserves the right to terminate the Plan at any time. Upon termination, no further contributions will be made to the Plan and all amounts credited to your accounts will become 100% vested. The Employer will direct the distribution of your accounts in a manner permitted by the Plan as soon as practicable. You will be notified if the Plan is terminated.

**How do I submit a claim for Plan benefits?**

Benefits will be paid to you and your beneficiaries without making a formal claim. However, if you think an error has been made in determining your benefits, then you or your beneficiaries may make a request for any Plan benefits to which you believe you are entitled. Any such request should be in writing and should be made to the Plan Administrator.

If the Plan Administrator determines the claim is valid, then you will receive a statement describing the amount of benefit, the method or methods of payment, the timing of distributions and other information relevant to the payment of the benefit.

**What if my benefits are denied?**

Your request for Plan benefits will be considered a claim for Plan benefits, and it will be subject to a full and fair review. If your claim is wholly or partially denied, the Plan Administrator will provide you with a written or electronic notification of the Plan's adverse determination. This written or electronic notification must be provided to you within a reasonable period of time, but not later than 90 days after the receipt of your claim by the Plan Administrator, unless the Plan Administrator determines that special circumstances require an extension of time for processing your claim. If the Plan Administrator determines that an extension of time for processing is required, written notice of the extension will be furnished to you prior to the termination of the initial 90-day period. In no event will such extension exceed a period of 90 days from the end of such initial period. The extension notice will indicate the special circumstances requiring an extension of time and the date by which the Plan expects to render the benefit determination.

In the case of a claim for disability benefits, if disability is determined by a physician (rather than relying upon a determination of disability for Social Security purposes), then instead of the above, the Plan Administrator will provide you with written or electronic notification of the Plan's adverse benefit determination within a reasonable period of time, but not later than 45 days after receipt of the claim by the Plan. This period may be extended by the Plan for up to 30 days, provided that the Plan Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you, prior to the expiration of the initial 45-day period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. If, prior to the end of the first 30-day extension period, the Plan Administrator determines that, due to matters beyond the control of the Plan, a decision cannot be rendered within that extension period, the period for making the determination may be extended for up to an additional 30 days, provided that the Plan Administrator notifies you, prior to the expiration of the first 30-day extension period, of the circumstances requiring the extension and the date as of which the plan expects to render a decision. In the case of any such extension, the notice of extension will specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues, and you will be afforded at least 45 days within which to provide the specified information.

## Goodwill Industries of Northwest North Carolina Money Purchase Pension Plan

The Plan Administrator's written or electronic notification of any adverse benefit determination must contain the following information:

- (a) The specific reason or reasons for the adverse determination.
- (b) Reference to the specific Plan provisions on which the determination is based.
- (c) A description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary.
- (d) Appropriate information as to the steps to be taken if you or your beneficiary wants to submit your claim for review.
- (e) In the case of disability benefits where disability is determined by a physician:
  - (i) If an internal rule, guideline, protocol, or other similar criterion (collectively "rule") was relied upon in making the adverse determination, either the specific rule or a statement that such rule was relied upon in making the adverse determination and that a copy of that rule will be provided to you free of charge upon request.
  - (ii) If the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided to you free of charge upon request.

If your claim has been denied, and you want to submit your claim for review, you must follow the claims review procedure in the next question.

### What is the claims review procedure?

Upon the denial of your claim for benefits, you may file your claim for review, in writing, with the Plan Administrator.

(a) YOU MUST FILE THE CLAIM FOR REVIEW NO LATER THAN 60 DAYS AFTER YOU HAVE RECEIVED WRITTEN NOTIFICATION OF THE DENIAL OF YOUR CLAIM FOR BENEFITS.

HOWEVER, IF YOUR CLAIM IS FOR DISABILITY BENEFITS AND DISABILITY IS DETERMINED BY A PHYSICIAN, THEN INSTEAD OF THE ABOVE, YOU MUST FILE THE CLAIM FOR REVIEW NO LATER THAN 180 DAYS FOLLOWING RECEIPT OF NOTIFICATION OF AN ADVERSE BENEFIT DETERMINATION.

- (b) You may submit written comments, documents, records, and other information relating to your claim for benefits.
- (c) You may review all pertinent documents relating to the denial of your claim and submit any issues and comments, in writing, to the Plan Administrator.
- (d) You will be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits.
- (e) Your claim for review must be given a full and fair review. This review will take into account all comments, documents, records, and other information submitted by you relating to your claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In addition to the claims review procedure above, if your claim is for disability benefits and disability is determined by a physician, then:

- (a) Your claim will be reviewed without deference to the initial adverse benefit determination and the review will be conducted by an appropriate named fiduciary of the Plan who is neither the individual who made the adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual.
- (b) In deciding an appeal of any adverse benefit determination that is based in whole or part on medical judgment, the appropriate named fiduciary will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment.
- (c) Any medical or vocational experts whose advice was obtained on behalf of the Plan in connection with your adverse benefit determination will be identified, without regard to whether the advice was relied upon in making the benefit determination.
- (d) The health care professional engaged for purposes of a consultation under (b) above will be an individual who is neither an individual who was consulted in connection with the adverse benefit determination that is the subject of the appeal, nor the subordinate of any such individual.

The Plan Administrator will provide you with written or electronic notification of the Plan's benefit determination on review. The Plan Administrator must provide you with notification of this denial within 60 days after the Administrator's receipt of your written claim for review, unless the Plan Administrator determines that special circumstances require an extension of time for processing your claim. If the Plan Administrator determines that an extension of time for processing is required, written notice of the extension will be furnished

## Goodwill Industries of Northwest North Carolina Money Purchase Pension Plan

to you prior to the termination of the initial 60-day period. In no event will such extension exceed a period of 60 days from the end of the initial period. The extension notice will indicate the special circumstances requiring an extension of time and the date by which the Plan expects to render the determination on review. However, if claim relates to disability benefits and disability is determined by a physician, then 45 days will apply instead of 60 days in the preceding sentences. In the case of an adverse benefit determination, the notification will set forth:

- (a) The specific reason or reasons for the adverse determination.
- (b) Reference to the specific Plan provisions on which the benefit determination is based.
- (c) A statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits.
- (d) In the case of disability benefits where disability is determined by a physician:
  - (i) If an internal rule, guideline, protocol, or other similar criterion (collectively "rule") was relied upon in making the adverse determination, either the specific rule or a statement that such rule was relied upon in making the adverse determination and that a copy of that rule will be provided to you free of charge upon request.
  - (ii) If the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided to you free of charge upon request.

If you have a claim for benefits which is denied, then you may file suit in a state or Federal court. However, in order to do so, you must file the suit no later than 180 days after the date of the Plan Administrator's final determination denying your claim.

### What are my rights as a Plan participant?

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants are entitled to:

- (a) Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including collective bargaining agreements and insurance contracts, if any, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including collective bargaining agreements and insurance contracts, if any, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.
- (d) Obtain a statement telling you whether you have a right to receive a pension at Normal Retirement Age and, if so, what your benefits would be at Normal Retirement Age if you stop working under the Plan now. If you do not have a right to a pension benefit, the statement will tell you how many years you have to work to earn a right to a pension. THIS STATEMENT MUST BE REQUESTED IN WRITING AND IS NOT REQUIRED TO BE GIVEN MORE THAN ONCE EVERY TWELVE (12) MONTHS. The Plan must provide this statement free of charge.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including the Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a pension benefit or exercising your rights under ERISA.

If your claim for a pension benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. You and your beneficiaries can obtain, without charge, a copy of the Plan's QDRO procedures from the Plan Administrator.

If it should happen that the Plan's fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should

**Goodwill Industries of Northwest North Carolina Money Purchase Pension Plan**

pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, it finds your claim is frivolous.

**What can I do if I have questions or my rights are violated?**

If you have any questions about the Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in the telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**ARTICLE XII  
GENERAL INFORMATION ABOUT THE PLAN**

There is certain general information which you may need to know about the Plan. This information has been summarized for you in this Article.

**Plan Name**

The full name of the Plan is Goodwill Industries of Northwest North Carolina, Inc. Money Purchase Plan.

**Plan Number**

The Employer has assigned Plan Number 002 to your Plan.

**Plan Effective Dates**

This Plan was originally effective on January 1, 1990. The amended and restated provisions of the Plan become effective on January 1, 2002.

**Other Plan Information**

Valuations of the Plan assets are made annually on the last day of the Plan Year.

The Plan's records are maintained on a twelve-month period of time. This is known as the Plan Year. The Plan Year ends on December 31st.

The Plan and Trust will be governed by the laws of the state of the Employer's principal place of business to the extent not governed by federal law.

Benefits provided by the Plan are NOT insured by the Pension Benefit Guaranty Corporation (PBGC) under Title IV of the Employee Retirement Income Security Act of 1974 because the insurance provisions under ERISA are not applicable to this type of Plan.

Service of legal process may be made upon the Employer. Service of legal process may also be made upon the Trustee or Plan Administrator.

**Employer Information**

The Employer's name, address, business telephone number and identification number are:

Goodwill Industries of Northwest North Carolina, Inc.  
2701 University Parkway  
Winston-Salem, North Carolina 27115  
(336) 724-3621  
56-0588474

**Plan Administrator Information**

The Plan Administrator is responsible for the day-to-day administration and operation of the Plan. For example, the Administrator maintains the Plan records, including your account information, provides you with the forms you need to complete for Plan participation, and directs the payment of your account at the appropriate time. The Administrator will also allow you to review the formal Plan document and certain other materials related to the Plan. If you have any questions about the Plan or your participation, you should contact the Administrator. The Plan Administrator is the Employer. See "Employer Information" above for the Plan Administrator's (Employer's) name, address, and business telephone number. The Plan Administrator may designate other parties to perform some duties of the Administrator.

**Goodwill Industries of Northwest North Carolina Money Purchase Pension Plan**

The Plan Administrator has the complete power, in its sole discretion, to determine all questions arising in connection with the administration, interpretation, and application of the Plan (and any related documents and underlying policies). Any such determination by the Plan Administrator is conclusive and binding upon all persons.

**Plan Trustee Information and Plan Funding Medium**

All money that is contributed to the Plan is held in a trust fund. The Trustee is responsible for the safekeeping of the trust fund and must hold and invest Plan assets (unless the investment of assets is subject to Participant or other direction) in a prudent manner and in the best interest of you and your beneficiaries. The trust fund established by the Plan's Trustee(s) will be the funding medium used for the accumulation of assets from which benefits will be distributed. While all the Plan assets are held in a trust fund, the Administrator separately accounts for each Participant's interest in the Plan. If there is more than one Trustee, they will collectively be referred to as Trustee throughout this Summary Plan Description.

The name and address of the Plan's Trustee is:

Branch Banking and Trust Company  
7823 National Service Road  
Greensboro, North Carolina 27409

The business telephone number for the Plan's Trustee is:

(336) 291-1163

Branch Banking and Trust Company became Successor Trustee effective January 1, 2009. Wachovia Bank, National Association was previous Trustee.
