SERVICE INDUSTRY & HOSPITALITY

AB TECH SERVSAFE Prepare for the National Restaurant Association's ServSafe Manager Certification. Exam is included as part of the class. Upon completion with a passing exam grade of 75%, the student will earn this industry-recognized certification valid for 5 years. This one-day class features online testing and instant score results. Textbook optional: ServSafe manager, 6th Edition. Those not familiar with Servsafe may wish to review the book prior to class to ensure a positive test outcome. Book available on loan through checkout at Goodwill Training Center. www.abtech.edu/ce/registration. Fee: \$106. Registration: see *Ways to Register. For assistance or scholarship information, call 828-298-9023 ext. 11142.

GUEST SERVICE PROFESSIONAL - TOURISM Just as one bad apple can spoil the bunch, one negative online review can spoil your business's chances of attracting new guests. And for tourism destinations, it can be negative feedback or even worse, impact an entire city or region. The reputations of hotels and museums, taxi companies, and restaurants, all contribute to a destination's profile. The Guest Service Gold® Tourism program features seven elements: Recovery: Turn It Around, Personalization: Provide an Individualized Experience, Knowledge: Be in the Know, Passion: Inspire Others, Commitment: Be All In, Inclusion: Include Everyone, and Personality: Be Yourself. Upon completion the student will receive a certificate from A-B Tech and will qualify to sit for the American Hotel & Lodging Educational Institute Guest Service Gold Certification®. Fees: Fee waived for job seekers. Duration: 1 day. Registration: Call 828-298-9023 ext. 11142.

GUEST SERVICE PROFESSIONAL - HOSPITALITY

This class is a 6-hour program to train service-oriented, line-level hotel employees to provide memorable customer service. Upon completion the student will receive a certificate from A-B Tech. Fees: Fee waived for job seekers. Duration: 1 day. Registration: Call 828-298-9023 ext. 11142.

HOSPITALITY START MODULES Hospitality START focuses on the service techniques and duties that are based on nationally-recognized exemplary practices as well as the needs and requests of the Asheville area's major employers. The curriculum will focus on hands-on learning and demonstration to best prepare the students for entry-level positions. Utilizing guest speakers and facility tours, we prepare students for the professionalism that is expected in hotel establishments as well as provide assistance in the application and interviewing process. Front Desk Professional: The curriculum framework is based on teaching a variety of hotel and lodging positions that focus directly with guests. This may include one or more of the following: Front Desk Representative, Reservationist, PBX Operator, Bell Attendant, Hotel Safety, and Concierge. Guestroom Attendant Professional: The curriculum framework is based on teaching a variety of hotel and lodging positions that focus directly with sustaining the flow and upkeep of a Lodging establishment. Maintenance Professional: The maintenance component will focus on how to perform preventive maintenance on guestrooms and public areas. Kitchen Professional: The kitchen component will focus on safety guidelines, define culinary terms, as well as nutrition trends. Restaurant Server Professional: The server component will focus on sanitation regulations, basic terms for food preparations, as well as how to effectively manage tables. Fees: Fee waived for job seekers. Duration: 1 day. Registration: Call 828-298-9023 ext. 11142.

OFFICE TECHNOLOGY

COMPUTER SKILLS FOR JOB SEEKERS Operating a computer is a necessary life skill for finding and maintaining gainful employment. Come learn basic computer skills that can enhance your search for employment. Included in this class is an overview of basic computer concepts, uses of hardware, applications, and programs. This course will familiarize you with the computer, develop basic keyboarding skills, and increase your comfort level with computers. Develop basic Microsoft Word skills that you can use to create or update a resume and cover letter. Create an email account to sharpen your email skills and learn email etiquette. Learn to surf the web to search and apply for jobs. At the end of this course students will be comfortable operating a computer, creating and managing email accounts, finding information on the internet and using a computer for researching, finding employment and using the internet for job posting online.

COMPUTER SKILLS FOR THE WORKPLACE Learn computer skills while developing employability skills. Students will learn the basics of Microsoft Word, Excel and PowerPoint, and how to use these programs in day-to-day settings as well as in job search efforts. Work on resumes, cover letters, presentations, budgets, and much more. You will also see how to save your work in the cloud through Google services. Develop basic keyboarding skills. This course sets the foundation for other computer courses. For more information on how to register call 828-298-9023 ext. 11161.

COMPUTER COACHING Goodwill's guided computer coaching sessions will assist you at your level and individual pace to build key computer skills and demonstrate your knowledge by earning certificates along the way. These sessions are currently by appointment to meet the needs of your schedule. To book your first appointment please call 828-298-9023 and speak with Mike VanGilder ext. 11142 or David Rogers ext. 11106, or email at mvangilder@goodwillnwc.org or drogers@goodwillnwc.org.

OTHER COURSES

PROFESSIONAL TRUCK DRIVING TRAINING CLASS A four-week tractor trailer driver training school for individuals who wish to obtain a Class A Commercial Drivers License and be qualified to gain employment as an entry-level professional driver in the transportation industry. Offered in partnership with TransTech, Inc., the Professional Driver Training School gives people the opportunity to earn their Commercial Drivers License (CDL) and is committed to the highest quality training standards by instructors with decades of professional driving experience. All trainees drive over mountainous terrain or multi-lane city driving, navigating real life conditions required for professional tractor trailer driving in a safe and monitored environment. The class is being offered in response to the increasing need for professional truck drivers in the area. A new class is held every month. Night classes available. To register or for information, call 828-483-6666. Cost: \$3,125. Duration: 4 weeks.

CDL B FOR BUS, COACH, AND MINIBUS Learn what you need to know to pass the Class B CDL permit test for the DMV. This will allow you to drive any single vehicle with a GVWR of 26,001 pounds or more, and any such vehicle towing a vehicle with a GVWR not in excess of 10,000 pounds. This certification can lead to jobs driving a motor coach, city transit bus, school bus, construction vehicles, minibuses, and more. For more information on how to register call 828-298-9023 ext. 11142.
