Help protect your pet from costly vet bills

More than ever, pets play such a huge role in our lives. We want to do everything to keep them safe and healthy. Help make sure your furry family members are protected against unplanned vet expenses for covered accidents or illnesses with MetLife Pet Insurance.

Visits to the vet can be unpredictable. According to 2022 Pet Parent Pulse Poll Findings, most pet parents are facing rising care costs to keep their pets happy and healthy, with 54% of owners worried about being able to care for their pets in the future with economic uncertainties.

A small monthly payment can help you prepare for those unexpected vet expenses down the road.

How it works:

Hypothetical savings example when visiting a licensed veterinarian, specialist or emergency clinic in the U.S.

Since I had MetLife Pet Insurance, I was reimbursed for 90% of the bill after the deductible was met. Thanks to my smart decision to enroll, I saved \$2,304 in out-of-pocket vet expenses.¹
